

Consent to Administer CPR/First Aid

All of the staff(s) at Prince of Peace Preschool are fully trained in CPR and First Aid. In the event of an emergency involving your child, a staff will make every effort to contact the parent, however, the well-being and comfort of the child will be our first priority. In the event a staff member may need to administer CPR/First Aid, parental consent will be required. By signing this form, you are giving full permission to the staff at Prince of Peace Preschool to administer CPR/First Aid to your child. Parental consent must also be given in the event your child needs to be transported by ambulance to an emergency center for treatment. Cost of such transportation will be the responsibility of the parent/guardian and not Prince of Peace Preschool. Prince of Peace Preschool will not be responsible for any incident that may occur as a result of false, misleading or missed information that is given or omitted at the time of registration by parents/guardians or anytime thereafter.

I, _____
Last name First name

give my permission to the staff at Prince of Peace Preschool to administer CPR/First Aid, as well as give permission for my son/daughter _____ to be transported to an emergency center via ambulance.
